## 1) Presentation

1999: The Institute of Humanities Ángel Ayala, with representation in the 3 CEU Universities, was created 20 years ago with the aim of fostering and disseminating the Christian humanism within the society.

2019: The Institute is carrying out an effective work through differentiated teaching plans taught by a group of professors specialized in the humanistic knowledge through the dialogue between culture and faith or reason and faith.

*Man finds God behind every door that Science manages to open*

A. Einstein

## 2) Teaching staff

The teaching staff consisting of 70 teachers in the 3 CEU universities analyze each subject from a Christian point of view.

Important work of dissemination of pontifical thought in social matters.

The Institute, through its activities always consistent with the aims sought to be achieved, has already left its mark on the Society.
